

① INFORMATION FOR POSTER PRESENTERS

Poster Panel Size

Each presenter will be allocated two panels of 1 m (horizontal) and 2 m (vertical) as shown in the adjacent figure. The vertical height starts from the floor level, thus the display area available on each panel is about **3 feet horizontal X 4 feet vertical**. Since two panels are allocated for each presented, a presenter can bring **two posters** of size 3 feet horizontal X 4 feet vertical.

Poster Panel Allocation

A numbered panel will be allocated for each presenter and the detailed arrangement will be given in the conference program. All Poster sessions will be held on 2nd Floor Canopy Area of Victor Menezes Convention Centre (VMCC).

Posters must be displayed from beginning of the allotted session and presenters are responsible for promptly removing the posters at the end of the session or they will be trashed.

Fixing

Adhesive tape will be provided to fix the poster to the poster panels.
