About Conference

The World Conference on Transport Research (WCTR) is the flagship activity of World Conference on Transport Research Society (WCTRS). WCTR has been held every three years since 1977. **The 15th WCTR will be held from 26 - 31 May 2019 in Mumbai (India) hosted by Indian Institute of Technology (IIT) Bombay.** As part of this conference, the WCTRS Young Researchers' Conference will also take place on 26 May 2019.

The first call for submission of papers was given during first week of February 2018. Kindly refer to conference website - **www.wctrs-conference.com** for further details.

WCTR 2019 will provide a forum for the interchange of ideas among transportation fraternity from all over the world, from a perspective which is multi-modal, multi-disciplinary and multi-sectorial.

The conference aims to bring together academicians, practitioners, managers, and policymakers from all parts of the world, to share cutting-edge research and advanced state-of-practice. The conference also includes special sessions, technical tours, an exhibition and social events. This knowledge event provides a unique opportunity for experts to exchange ideas in all areas of transport research. To facilitate the interchange of ideas between researchers working in the same area, WCTR has structured the topics into nine categories with a total of 35 session tracks.
